

Utility Newsletter 2024

Town of Lake Cowichan

The enclosed utilities invoice is for the full year (January 1 to December 31, 2024). There may be additional quarterly billings during the year if monthly water consumption exceeds the allotted monthly threshold. A single-family residence is allotted a maximum of 35 cubic meters every month, (35 cubic meters is equal to 35,000 liters).

All utility payments received in the office by 4:30 p.m. February 29, 2024, whether in part or full, will receive a 10% discount on the amount paid.

Any utility amounts not received by 4:30 p.m. July 2, 2024, will be charged a 5% penalty. Utility amounts not received by 4:30 p.m. October 1, 2024, will be charged an additional 5% penalty. Any amounts outstanding on December 31, 2024, will be transferred to the tax account for the following year and these arrears will be charged daily interest until paid in full. Mortgage companies and financial institutions do not pay the utility bill until it transfers, as arrears, to the property tax account at year end.

Payment options:

1. Utility and tax payments can be made by cash, debit, or cheque at Town Hall.
Ensure your payment is received before 4:30 p.m. on the due date as the postmark date is not accepted as proof of payment date.
